Visitor Guide Checklist Worksheet #4

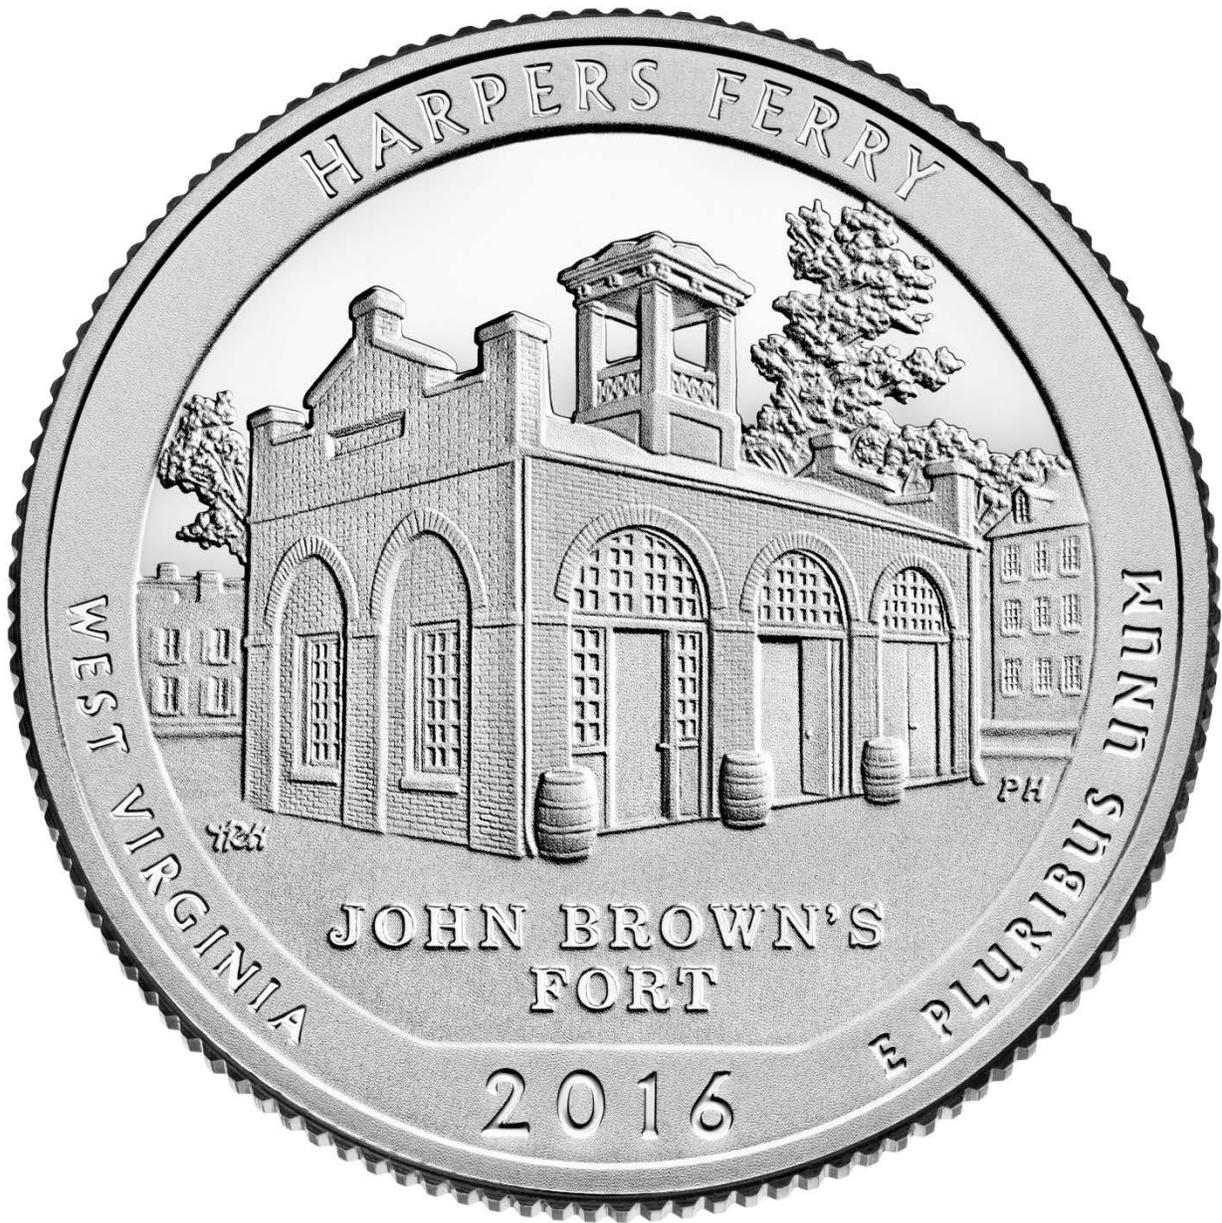

Student name:

Student name:

Directions: Use the checklist to plan and evaluate your “I See Visitor Guide to Harpers Ferry.”

- We used the information we researched to write interesting fact clues in the “I See” section for each species.
- We wrote at least 10 “I See” riddles.
- We included both plant and animal species.
- We wrote at least three interesting facts for each species.
- We added detailed illustrations of each species that show their specific characteristics.
- We used correct spelling, capitalization, punctuation and complete sentences.
