

It's Classified

Name _____

My Tasks

Put what you learned together in project form. Choose one type of project from the list below and use your worksheets to report on taxonomy. Include color diagrams, explanations, locations, and interesting facts.

- ___ **Multimedia presentation:** Explain the seven levels of classification and the six types of kingdoms. Include definitions and examples of each.
- ___ **Picture book:** Create drawings for each level of classification and each type of kingdom. Include illustrations with 3 or 4 sentences about each.
- ___ **Oral report:** Write and present a 1- to 2-minute oral report about taxonomy as an occupation. Include the education required, the type of work done, and the benefits of doing this job.
- ___ **Poster:** Using media you choose, create a poster showing definitions and examples of classification and kingdoms. Share the poster with the class.
- ___ **Game:** Create a game to help others learn about the levels of classification and types of kingdoms.
- ___ **Song:** Write and perform a song that includes a mnemonic device to teach others about classification and kingdoms.

My Worksheets to Complete

- ___ Properties are Shaping Up
- ___ It's Classified!
- ___ Trying Taxonomy
