Dear _____,

Sincerely,

Example Letter

Dear Mint,

I am writing to tell you about a wonderful place I just visited. This place is located in Georgia and is called Cumberland Island National Seashore.

Cumberland Island can only be visited by boat. The Island has some very special plants and animals like sea turtles and feral horses. I had lots of fun learning about them.

I hope it won't be long before I get to visit Cumberland Island again and enjoy more of its unique features. I hope that you can visit Cumberland Island soon as well.

Sincerely,
Your Teacher
